

# St. Austell Printing Company's Environmental Policy Statement

St Austell Printing Company Ltd (SAPC) attaches the highest priority to the protection of the environment and the health and safety of its employees, customers, neighbours and other interested parties in relation to our print and communication solution operations at our site in St Austell Business Park.

As part of that commitment SAPC will operate an Environmental Management System in line with the internationally recognised environmental standard, ISO14001:2015.

The Company is committed to;

- Setting environmental improvement objectives at Management Reviews or as and when opportunities are identified.
- Protecting the environment including, but not limited to the prevention of pollution.
- Fulfilling any identified and relevant compliance obligations.
- Provision of products and services from buildings and facilities that where practical minimise emissions and use of resources, whilst maintaining local biodiversity and ecosystems.
- Continually improving SAPC's Quality Management System and quality performance.
- Foster a sense of responsibility for the environment amongst our employees and those under the control of SAPC, with consideration for all relevant interested parties including the local community.

The Board shall be responsible for this policy and for ensuring that it remains relevant through period review, however, it is the responsibility of every employee to ensure we adhere to the principles and aims set out.
